DESCRIPTION

Instructions: in your audition video, please state your name, instrument, age, and school you attend followed by the title and composer of the piece you are auditioning on followed by any cuts/edits or abbreviations. Include the movement numbers and/or titles if you are only performing certain movements. Perform the solo on your instrument *unaccompanied* in its entirety as you plan to perform it with the BDWinds. You do not need a live accompanist or backing track. Please speak slowly and clearly. Your performance of the solo does not need to be up to tempo for your audition recording. This audition will close on April 6th, 2026.

Looking for a piece to audition on? Check out the Soloist Categories at Wind Repertory Project (<https://www.windrep.org/>) for your instrument or voice type to make a selection. Ensure that the music is not Out of Print. Some solos may be available or obtained through BDWinds directly. To work with BDWinds leadership to obtain a solo to audition on, please contact Dr. Kaitlin Bove at kbove@bluedevils.org
