This is a chance for a one-on-one audition, in a remote location nearer to your region of the country. These auditions will be scheduled in increments of time (between 30-45 mins) and will allow us time to work through selections from the technique packet, the audition excerpts for your instrument, and for us to give an evaluation of prepared solo material. Following each of these satellite audition events, we will be contacting you with a written evaluation and advice for the future as well as an invite to our callback weekend in January if the staff considers you to be ready.
