This option allows you to submit a video audition. This option is recommended for those who are unable to attend any of our in-person audition events, however we do strongly recommend attending an in person event. You will be required to submit a video audition including the following: a select list of exercises and tempo ranges from our technique packet, the audition excerpts from the packet for your specific instrument. After you submit these videos, you will receive written feedback from staff. This feedback will contain an invite to January Call Backs if the staff considers you to be ready for the opportunity to join the ensemble cast in 2027.
